Conditions Of Entry

All entries via the Google Docs entry portal on the DMIA website <https://dmia.org.au/>

Start Time

We have given the start time for the 2026 Fremantle Open Medallist Event as 9am, this is a best guess, and is dictated by the number of entries expected for the 2026 DMIA Fremantle Championships danced that afternoon. Changes in expected entries or other unforeseen conditions may change this expected start time. Please continue to monitor our website & Facebook page for any published changes. Doors will open at 8am for the 2026 DMIA Fremantle Medallist, with a 9am start time, for the Medallist events.

Venue Admission Fee

The admission fee for the 2026 DMIA Fremantle Championships & the 2026 Fremantle Open Medallist Event is the same, at \$30 for Adults, \$20 for Juveniles & Juniors, and \$20 for non-competing Aged Pensioners. The admission fee covers both events. As an example, it will only cost an adult \$25 to be at the event all day, from very start at 9am for the Medallist events, until the very end of the Championship Events.

Special Venue Admission Fee for Partners

It has been a long-standing rule for DMIA that if you are partnering a competitor and are not competing yourself in any way, that your admission to the venue for the Medallist Competition is Free. In the past DMIA Studios have had the opportunity to presale tickets and in doing so has given us the means to police the situation. At present these presales are unavailable. But we do have a solution. Unfortunately, there are some rules to go along with this, but it is pretty simple too.

If you are dancing in the 2026 DMIA Fremantle Championships you are ineligible as you will have to pay your admission fee along with your entry fee for that competition, though it also entitles you to attend and Compete/Partner at the 2026 Fremantle Open Medallist Event at no extra cost. At the 2026 Fremantle Open Medallist Event if you are dancing E or D grade events you are also ineligible.

To make sure we are able to check that all is as it should be, the eligible Partner will need to have their name on a list. This list is to be supplied by Studios/Studio Principals to the DMIA Secretary (secretary@dmia.org.au) by the closing date for entries, Sunday 9th August 2026. The list will be held at the entry to the venue, and you may need to provide identification to door staff.

There are other ways you can gain FREE entry, be a Studio Principal (Studio representative is not a suitable surrogate), be a DMIA Professional Member or be a DMIA Event volunteer worker, & help us setup, run, & pack up DMIA events.

New Juvenile & Junior Age Bracket cutoffs

Previously DMIA had allowed an age overlap at 12 years old for Juvenile & Junior Competitors and at 16 years old for Junior & Youth & Adult Competitors. This will no longer be the case. Juvenile will be under 12 years of age, Junior will commence from 12 years of age and finish under 16 years of age, Adult/Youth will as before commence at 16 years of age. Some examples are if you are 11 years old you can only dance as a Juvenile, once you turn 12 you MUST dance as a Junior. If you are 15 years old you can only dance as a Junior, once you turn 16 you can only then dance Youth/Adult.
